All debtors **must** take a "personal financial management course" after they file their chapter 13 case in order to obtain a discharge from their debts.

Until 9/30/18, the Trustees' Educational Network ("TEN") is offering this course **for free** to all debtors whose chapter 13 case has been assigned to trustee Herbert I. Beskin

The course consists of 10 on-line sessions totaling less than four hours which can be viewed separately or together, whenever it is convenient for you. You can take the course on your laptop or desktop computer as long as you have a valid e-mail address.

Take this course as soon as possible: it will provide you with a variety of ideas for handling your money and your financial affairs more successfully

The Trustees' Education Network has put together a very high quality program that includes an orientation to bankruptcy, 10 highly educational lessons, useful handouts and videos from Trustees, Judges, and Financial Educators.

All you need to register is:

- A computer
- An Email Address
